Experience

University of Leeds

Leeds, United Kingdom

ASSOCIATE PROFESSOR IN ECONOMICS

Feb 2022 - Present

- **Main Duties included:**

- Leading a clear and impactful research agenda, attracting external income on an individual and collaborative basis to underpin high quality research activity.
- Being recognised as an authority in your field, developing and maintaining an external profile as appropriate to the discipline.
- Maintaining a high quality record of regular and original research publications that are of national and international standing.
- Promoting the integration of own research area with other research interests within and, as appropriate, outside the Division, Faculty and University.
- Providing high quality postgraduate supervision and attracting research students to the University, and to supervise other students as appropriate.
- Undertaking research-led teaching in economics at different levels on undergraduate and postgraduate taught courses.
- Playing a significant role in the design, development, planning and review of modules and programmes within the Division as required.
- Offering leadership in the management and administrative processes of the Division, and where appropriate, Faculty and University.
- Being an active member of the team supporting colleagues and participating in Divisional research.

University of Huddersfield

Huddersfield, United Kingdom

ASSOCIATE PROFESSOR IN ECONOMICS

Jul 2020 - Feb 2022

- **Main Duties included:**

- **Course Leadership M.Sc Economics.**

- **Course Leadership B.Sc (Hons) Economics.**

- Undergraduate and Postgraduate module leadership and delivery.
- Maintain active research securing high quality outputs appropriate to the subject.
- Build and maintain individual record of academic distinction through securing academic awards, editorship of/refereeing for journals, grant reviewer for awarding bodies etc.
- Disseminate research through publication, exhibition, performance and through contribution to major conferences and media events.
- Secure external funding through an active bid record and development of commercial opportunities. Lead and participate in research grant applications.
- Design teaching materials and deliver across a range of modules or within a subject area using appropriate teaching, learning support and assessment methods.
- Supervision of students for research degrees.
- Acting as an internal examiner / independent chair in the PhD thesis assessments/viva.
- Chairing Exam / Course Assessment Boards (CABs) as an independent Chair.
- Contribute to the development of early stage researchers through guidance and joint publication/bids.
- Contribute to the University's staff and research student development activities.

Leeds Business School

Leeds, United Kingdom

SENIOR LECTURER IN ECONOMICS

May 2012 - Jun 2020

- **Teaching on the Postgraduate Programme** - including the following subjects/modules: International Trade and Finance, Understanding the (Macro) Economy; Applied Econometrics-Time Series; Research Methods for Postgraduates, Money and Banking Industry Framework.
