

KEMAL BAGZIBAGLI

Work Experience

- June - July, 2012 **Faculty Member**, *Program on Investment Appraisal and Risk Analysis*, John Deutsch International Executive Programs, Queen's University, Kingston ON, Canada.
- Worked collaboratively in an international environment
 - Participated in program-scheduling and post-evaluation decision makings
 - Lectured senior government officials from various international institutions
 - Utilised interpersonal skills and technical expertise to deliver the topics of responsibility inc. cost-benefit analysis of transportation projects, risk analysis and parameterisation
 - Strengthened resilience by working to tight schedule of deadlines
- November - December, 2011 **Faculty Member**, *Program on Investment Appraisal and Risk Analysis: Economic and Stakeholder Analyses*, Cambridge Resources International Inc. in collaboration with the United States Agency for International Development, Baku, Azerbaijan.
- Responsible for guiding government officials to appraise feasibility of investment projects
 - As the project analyst, supervised participants to apply an integrated model for appraisal of real road refurbishment project, Azerbaijan
 - Enhanced communication, coordination and leadership skills due to responsibilities and interpersonal relationships with participants
- September, 2009 - April, 2011 **Lecturer**, *Department of Economics*, University of Birmingham, Birmingham, United Kingdom
- Broadened academic knowledge by teaching undergraduates (Quantitative Methods for Economics, Applied Economics and IT Skills) and graduates (Econometrics) modules
 - Utilised time management and multitasking skills in order to work and successfully continue my PhD research
- September, 2007 - June, 2009 **Lecturer**, *Department of Economics*, Eastern Mediterranean University, Famagusta, Cyprus
- Advanced task management, organisational and communication skills:
 - Teaching (under)graduate courses including Macroeconomics and Econometrics
 - Involved in helpdesk duties and conference organisations
- July-August, 2005 **Intern**, *Central Bank of the Turkish Republic of Northern Cyprus*, Nicosia, Cyprus.
- Obtained practical knowledge on financial sector of economy

Education

- 2009–July 2013 **PhD Economics**, *University of Birmingham*, Birmingham, United Kingdom.
Thesis: Cross-Country Differences and Time Variation in the Euro-Area Economies: Investigation using VAR Methods
- My thesis is an exploration of the effects of monetary policy in the countries of the Euro area using panel and Bayesian factor-augmented vector autoregression techniques, estimated with RATS and MATLAB programming languages. The analysis makes use of a large data set of disaggregated macroeconomic time series in order to investigate the effects of (un)conventional monetary policies and the global financial crisis across the economies of the Euro area and over time.
- 2007–2009 **MSc Economics**, *Eastern Mediterranean University*, Famagusta, Cyprus. **GPA:** 4.00/4.00.
- 2002–2006 **BSc Economics**, *Middle East Technical University*, Ankara, Turkey. **GPA:** 3.70/4.00.

42 Chadbrook Crest, Richmond Hill Road, Birmingham B15 3RL – United Kingdom

Nationalities: British Citizen, Cypriot • ✉ Kemal.Bagzibagli@me.com

Professional Certificates

June-July, 2011 **Investment Appraisal and Risk Analysis**, *John Deutsch International Executive Programs*, Queen's University, Kingston ON, Canada.

- Lecturers: Prof. Glenn P. Jenkins, Prof. Arnold Harberger, Mr. Savvakis C. Savvides
- Acquired skills:
 - The application of integrated cost-benefit analysis to investment projects
 - Practical evaluation of projects in a consistent manner using the integrated approach
 - Incorporation of market risks into financial, economic and stakeholder analyses

Skills and Expertise

- Economics
- Investment Appraisal
- Monte Carlo Risk Analysis
- Teaching
- Applied Econometrics
- Economic Cost-Benefit Analysis
- Financial Modelling

Research Papers

- Monetary Transmission Mechanism and Time Variation in the Euro Area
 - Department of Economics Discussion Paper 12-12, University of Birmingham
 - URL - <http://EconPapers.repec.org/RePEc:bir:birmec:12-12>
- Cross-Country Heterogeneity in the Euro Area: A Bayesian FAVAR Approach
- The Effects of Unconventional Monetary Policy Across Euro Area Economies

Computer Skills

- Advanced knowledge of MATLAB, RATS, Crystal Ball, \LaTeX , MS Word, Excel, PPT
- Intermediate knowledge of Dynare, Eviews, J-Multi, R

Memberships

2010-Present Euro Area Business Cycle Network 2011-Present Society for Benefit-Cost Analysis

Languages

English **Fluent**

Turkish **Native**

Interests

Interested in jogging, travelling, photography and chess. Additionally, I participate in classic car rallies as a navigator, having assisted my team in winning several races.
