Conference on

Advances in Local Projections and Empirical Methods for Central Banking

September 23rd, 2023

Universitat Pompeu Fabra, Barcelona, Spain

Call for Papers
Submission Deadline: 5 pm GMT, June 30th, 2023

The conference covers a broad range of themes around empirical methods for central banking. It will bring together recent contributions in this area of research, including studies with a strong theoretical basis and empirical papers.

A non-exclusive list of examples of relevant topics includes:

- Theoretical Advances on Local Projections
- Empirical Applications of Local Projections
- Local Projections in Central Banking
- Empirical Analyses in monetary and fiscal policy

Òscar Jordà (Federal Reserve Bank of San Francisco and CEPR) and Sílvia Gonçalves (McGill University) are confirmed invited speakers, and we welcome further relevant submissions.

The conference is organised by Barbara Rossi (University Pompeu Fabra and CEPR) and Eleonora Granziera (Norges Bank).

The event is hosted by the University Pompeu Fabra and sponsored by the EABCN. Funding is available for travel expenses for academic participants presenting their work.

Expenses will be reimbursed according to the standard CEPR travel guidelines. Costs will not be covered for central bank participants.
